#### WHERE WE'VE BEEN

### **Bateau Bay Christmas Rally**

**Attendees:** Col & Vinnie Every, Joe & Wendy Agius, Terry & Lorraine Bain, Tony & Maria Battaglia, Mike & Leslie Stevenson, Col & Sue Bradshaw, John & Ethel Brennan, Robin & Dorothy Wells, Kevin & Carol Blakelock, Damien Tracey & Family, Rick & Maureen Riley, Ron & Bridie Scanes, Tony & Lynn McFadden, Neil & Michelle Batchelor, Peter & Pat Rowher, John & Tricia Spencer, Bob & Liz Beesley, Phil & Lynn Deaves, Dearnne Bugeja & Family, Neville & Joy Henderson, John & Margaret Lak, Bob & Helen Purcell, Darryl & Judy Smith, Fred & Sandi Junge, Mike & Lynn Robinson, Ian & Chris Bailey, and day visitors Greg & Judy Cavanagh, Mike & Wendy Fletcher.

Members started arriving as early as Monday with all vans arrived and set up in time for happy hour Friday afternoon. A dinner out Friday evening was arranged at the Shelley Beach Golf Club with 40 attending, some of us used the courtesy bus and some chose to drive. At least 70% ordered the special of the night a lobster and seafood plate, which I must say, was delicious, and all washed down with a few beers or glasses of wine.

Saturday morning the sun shone bright for our Christmas function. Family members and guests began arriving early morning with the children eagerly awaiting the arrival of Santa. There were a few tears from some not so sure children as they went up to be presented with their gifts. But you could see the smiles on the adults when many of the children went up to shake Santa's hand and sit on his lap for their photos. A very big thank you to John Brennan, you did an excellent job as our Santa and I think you may be asked again next year if that's ok.

Lunch was served and enjoyed by all, unfortunately a few missed out on the salads but all in all the quality was excellent, with a great time had by everyone.

Ron & Bridie were smiling from ear to ear (very proud grandparents) as we all watched their qs their

Granddaughter performed a tap dance for us. Everyone enjoyed the performance so much.

After lunch, our biggest raffle yet was drawn, and congratulations to all the winners. Thank you to the members who made a prize donation as well as all the donations that went towards the Christmas hamper. We received so many goodies for the hamper that we could make up two very large baskets.

Saturday evening we all strolled around enjoying the great light display from each van and voting on the overall winner with the best display. Thank you to everyone for participating and congratulations to our winner Dearnne Bugeja and her two little ones, Taylor & Chase. Well done, and we hope you enjoy your prize.

We made use of the hall each evening with tables set up as a dinning room with most members gathering together each evening to dine together and discuss their daily activities.

As usual morning teas ran into lunch and happy hour into dinner with many stories told and many laughs had. Unfortunately for some of our workers Sunday morning came too soon and members began leaving the park, with many staying on to enjoy the excellent weather.

Thank you to everyone who helped with the hall decorations, and the hall set up. And a big thank you to you the members who attended this rally to make it such a success. And we hope to see you next year at Swansea Gardens.

Wendy Agius on behalf of your committee.

## Something for you to think about for next year – 16<sup>th</sup> March, 2013

*As we have no rally booked for March next year (other than the State rally in the first weekend) we thought that a day cruise would be appropriate. Below is a brochure on a 6 ½ hour cruise which includes morning and afternoon tea, full buffet lunch as well as a running commentary. It will be a great day to spend with friends on the water and if the weather is not so kind, there is shelter. At this stage I am only getting expressions of interest. So if you are interested, please let me (Maria) know either by email or the next time you see me.*

Starship Cruises offers the trip that history is made of. This cruise is approximately 6-½ hour's worth of fun, food and friendship

As you join the crew of the M V Lady Kendall II, the last of the mini liners you commence the journey of a lifetime. The Lady Kendall cruises through the Brisbane Waters where you will observe a blend of residential areas and hinterland. The fast currents at the Rip Bridge caused by the change of tide do not even sway the Lady Kendall. We next view the only place in the world where five independent waterways meet. Those of you that have an eye for quality real estate will marvel at some of our breath taking waterfront homes.

We head into Broken Bay, the first recorded sighting of Broken Bay was in 1770 when Captain Cook grandly dismissed it as "some broken land that appeared to form a bay". Look for beautiful Lion Island named because the silhouette formed by its distinctive Shape. Barrenjoey Head rises from the water; its sheer cliffs are a spectacular sight.

As we enter Pittwater on the one side you will look at stately waterfront homes, calm beaches and luxurious yacht clubs. On the other side is the magnificent bush-land of Kuring-gai Chase National Park. Heading to the Lower Hawkesbury, you will discover the only true fiords in the world outside Scandinavia. The great river is the largest river on the east coast of Australia. We will pass beautiful sandstone cliffs as we approach the town ship of Brooklyn and the unique Dangar Island, Sydney's northern beach suburbs.

Morning tea, buffet lunch, desert and afternoon tea will be served whilst cruising, plenty of time to take photos and maybe enjoy a light beverage from our licensed bar.or further information on this unforgettable journey contact Starship Cruises 02 43231655.

## Maria's Murmurings - December 2012

### From the Secretary's desk:

We've just had our Christmas Rally which, I believe, was a success. Santa arrived much to the delight of the children, both young and old, and he brought goodies for the children who had been nice (all year). Lunch was delicious and the afternoon was spent lazing around, which is quiet the norm on our rallies.

Later in the afternoon we had our General Meeting, the minutes of which are attached. The one item to consider is that the members unanimously agreed to change the Constitution to reflect the new due date for the renewal of fees to occur on 31<sup>st</sup> May in lieu of 30<sup>th</sup> June.

### Happy Birthday to the December babies

Irene Fonte (7<sup>th</sup>); Gary Blake (7<sup>th</sup>); Daniel Batchelor (7<sup>th</sup>); Anne Hayes (9<sup>th</sup>); Jeff Demanuele (14<sup>th</sup>); Col Bradshaw (16<sup>th</sup>); Dick Betts (17<sup>th</sup>); Tricia Spencer (21<sup>st</sup>); John Thorpe (21<sup>st</sup>); Colin Every (26<sup>th</sup>); Jenny Hewitt (28<sup>th</sup>); Lorraine Barrett (28<sup>th</sup>); Fred Junge (28<sup>th</sup>); Thelma Betts (31<sup>st</sup>)

General meeting was declared open at 4.05pm

1. Acceptance of Minutes of the General Meeting held at Happy Halidays on July 10<sup>th</sup>, 2012
  - a. Moved by Lorraine Bain
  - b. Seconded – Tony BattagliaAll in favour, motion was carried

2. One outstanding point on Ron who was to contact Jayco Hunter to invite to attend the combined rally with Jayco Southern at Cessnock for New Year's Eve. No response has been received and therefore can say that they will not be attending this rally.

### Secretary's report –

As at June 2012 the club had 83 vans as members. As it stands presently that has been reduced to 58 member vans. The last remaining 14 from the promotion we ran in 2009 have all dropped off except for 2 members. In total we have lost 25 members, 13 of which were outside the promotion.

It was also noted that Ray's Outdoors have pulled their sponsorship from the club, therefore the number which appears on your club membership card is null and void. To gain any discount, you will need to join their VIP programme which is free. All advertising will be pulled from the newsletter.

- Secretary's Report moved by Maria Battaglia
- Seconded by Bridie Scanes

### Treasurer's Report –

Liz reported that in the Investment Account we had a balance of \$2456.70 while the working account had a balance of \$1007.54. Outstanding payments totalled \$134.14. Received \$30 from Dearnne to renew Membership and profits from Raffle amounted to \$550.00.

- Treasurer's report moved by Liz Beesley
- Seconded by Damian Stewart

### Web Master's Report

Helen reported that the recipe book is still being worked on, but is sadly lacking in variety of recipes. Please email your recipes to Helen so that they may be included.

There is still heaps of problems with the photos – but this will get sorted.

- Web report moved by Helen Purcell
- Seconded by Sue Bradshaw

### Newsletter Editor Report

Terry reported that the newsletter is issued each month but over the last few months, there have been no recipes or any information on free camp sites. Please, if you can contribute, please do so. Also remember if you have anything to sell or want to buy something, the newsletter can accommodate you .

- Report Moved by Terry Bain.
- Seconded by Neil Batchelor

### Rally Co-ordinator Report

Wendy reported that the next rally is at Cessnock for New Year's Eve. There is an attendance sheet going round for those who are interested in attending. Next year's rally schedule will be discussed in General Business.

- Report Moved by Wendy Agius
- Seconded Judy Cavanagh

## State Association Update

John Spencer reported:

The State Rally in March 2013 at Kempsey Showground has 120 vans attending. All is in readiness for the rally. Meet and greet on Friday night has been scheduled in. Caterers have been booked as well as the entertainment. Watsons at Port Macquarie is sponsoring the rally with both cash and prizes. Programme almost finalised.

2013 National Rally at Rockhampton – 600 vans have booked in. We have 12 members from this club attending. If you cannot attend, please let John or the rally registrar know. If you are on a waiting list, don't despair as there are always cancellations. Final payments are not due till June 2013.

2014 State Rally – Mingara at Tumbi Umbi will not proceeding as there are no facilities. Bathurst Showground is fully equipped and they are happy to have us. Halls are available. We're only waiting on prices. It is envisaged that we will be jointly hosting this rally along with Jayco Southern and am hoping that it will entail one visit to get things organised. We're looking to utilise the Information Centre to organise entertainment and catering. All will be finalised by the end of the Kempsey Rally

## General Business:

The Committee is recommending to have the Constitution changed to allow membership fees to be paid by the 31<sup>st</sup> May for two reasons (1) As the State Association fees are due by the 30<sup>th</sup> June the club does not want to run the risk of not having enough funds to cover these fees and (2) we will be able to pay for the exact number of financial members.

The above motion was put to the meeting and all members voted in favour. Motion carried.

The Constitution will be updated as per the below:

- 10 (2) (a) except as provided by paragraph (b) before 1 June in each calendar year or
- (b) if the member becomes a member on or after 1 June in any calendar year on becoming a member and before 1 June in each succeeding calendar year.

(2) Tricia Spencer took the floor and made the following comments:

Thanked Santa for doing a wonderful job.  
 Thanked the committee for organising today's lunch.  
 After some discussions on the catering of today's meal, Tricia moved that the club have all future Christmas lunches catered for.  
 Seconded by Wendy  
 Motion was passed and carried.

It was also agreed that members were prepared to go to \$20 per head for the meal. However, it must be noted that even though \$20 is spent, we still must look at the quantity that is being delivered as we do not want people to miss out on anything.

**Action Point:** Wendy to speak to the Caterers about fine tuning the serving process and advise that some members did miss out due to food running out.

*Action Completed 29<sup>th</sup> November - I have been advised by spit roast caterers that a refund equal to 8 meals will be sent to us total of \$108 with their apologies.*

*The committee has agreed to place this amount into club account which will go towards a club function.*

Damian Stewart complimented everyone who was involved in organising today's function to a job well done.

Terry also advised that the judging for the best decorated van would happen this evening and all votes are to go to Wendy.

Wendy then advised that in future all Caravan Park bookings will be made from Thursday to Monday as many members were attending these days and she did not want to hold up any sites unnecessarily. If members wish to attend more days, it was up to them to advise the park of their stay, which is the case anyway.

All attendance sheets will be signed in from Thursday to Monday as this is the official rally dates.

The Rally schedule for 2013 was then discussed. A complete and up to date schedule will be released when completed.

31 <sup>st</sup> December 2012	Cessnock Showground	20 <sup>th</sup> Feb, 2013	Harrington

## LEGAL LIABILITY INSURANCE

At a recent rally information session the matter of insurance cover in relation to your caravan was raised and discussed. I have examined a number of the leading insurers policies and set out details for your information. This cover applies to Comprehensive Insurance or Third Party Property Damage Covers.

### **What is caravan legal liability?**

Caravan legal liability means that an Australian Court or other judicial body finds, or the insurer accepts in writing, that as a result of an accident, you, or a person using your caravan with your permission, is legally responsible to pay compensation for;

- Loss or damage to property owned or controlled by someone else, or
- The death or bodily injury to another person.

Insurers have different limits of liability (sum insured) on this section.

CIL give a legal liability cover of \$ 20,000,000  
NRMA give a legal liability cover of \$ 20,000,000  
GIO give a legal liability cover of \$ 10,000,000 on towed caravans

The cover is generally limited to Australian States and Territories and is in force when your caravan is being towed, stationary at a caravan park, free camp or indeed at your home address.

### **Personal Liability Insurance cover attaching to Home Contents.**

Personal Liability covers the legal liability of you or your family (normally residing with you) for;

- Loss or damage to property owned or controlled by someone else, or
- The death or bodily injury to another person.
- In an incident that takes place away from your normal home site but within Australia

It excludes claims arising from using or owning a vehicle (except for a bicycle, mobility scooter, wheelchair, golf buggy, cart or remote controlled toy).

The limit any one incident is normally either \$ 10,000,000 or \$20,000,000. This cover includes legal costs when the insurer's lawyers handle any claim.

Remember: If you are involved in an incident do not admit liability without the approval of your insurers.

This information is not given as professional advice and if you require further information you should consult your insurers Product Disclosure Statement.

## G'day to you all out there.

Whilst in Cobar recently we picked up a broucher for Billabourie Riverside Tourist Park on the Kidman Way just outside of Hillston...And as we were heading in that direction we decided to "Check It Out".

Billabourie is actually a working cattle and farming property owned by the Parr family, And they have set aside an area for us travellers who enjoy a nomadic lifestyle. The setup can best be described in one word as WOW. Billabourie Riverside Tourist Park is on the banks of the Lachlan river where you can drop in a line and hopefully you will catch a Murray Cod or a Yellow Belly...There are fire pits aplenty where your catch can go straight from the river to the pan YUMMY.

There is a brand new Amenities block inclusive of disabled facilities for those of you (and me) who need them. There are natural grassy powered sites and plenty of non powered campsites with firepits. There is an abundance of firewood around.

It is dog friendly but your dog must be kept on a lead at all times as the property is a working farm and there are working dogs in the area.

To get there take the Kidman Way towards Cobar from Hillston and 36 kilometres out (just over the lachlan river) you will come to Mt Grace road on your right...Travel 12 Kilometres along Mt Grace road (good gravel road) where you will come to the Billabourie homestead.

After opening and then closing the gate proceed a short way till you come to the camping area (adjacent to the homestead) where there are instructions as to what you have to do then.

I recommend this campsite to you all out there and I hope you enjoy your stay there as we did.

## RECIPE OF THE MONTH

### Home Made Ricotta (so easy and delicious)

#### **Ingredients:**

- 2 Litres full cream milk
- 1 cup fresh cream (in cardboard container)
- 1 teaspoon salt
- 3 tablespoons fresh lemon juice

#### **Method:**

Line a sieve with cheesecloth or a clean chucks cloth and place over a bowl.

In a large, heavy pot over moderate heat, bring the milk, cream and salt to a boil, stirring constantly to prevent scorching. Add the lemon juice, reduce the heat to low and continue stirring until curds form, about 3 minutes.

Pour the mixture into the lined sieve and let drain, about 10 minutes. Remove the ricotta from the sieve to a medium bowl, discarding the liquid; allow to cool in refrigerator before using.

A woman goes to her doctor for her annual check-up. The nurse starts with certain basic items. How much do you weigh?' she asks. 'Eight and a half stone,' the woman says. The nurse puts her on the scales and tells her weight is actually ten stone. The nurse asks, 'Your height?' '5 foot 8 !!!', she says. The nurse checks and says that she only measures 5' 2'. She then takes her blood pressure and tells the woman that it is very high. 'Of course it's HIGH !!!' the woman screams, 'When I came in here I was tall and slender....  
*Now I'm short and fat !!!'*
