WHERE WE'VE BEEN

Lake Conjola

We would like to thank Anita and Dean, Ian and Chris, Neville and Joy, Vinnie and Col, Wendy and Joe, Liz and Bob, Shaun and Lorraine, and Lorraine and Terry for making this rally so enjoyable. Hosting a rally for the first time was surprisingly easy and enjoyable. Everyone joined in the lunches dinners and our happy hour trivia and barbecue. Congratulation Popeye, Olive Oyl, Sweetpea and Brutus for winning the trivia. A great park, first class company equals a terrific rally. Chris and Tom

An elderly couple had dinner at another couple's house, and after eating, the wives left the table and went into the kitchen.

The two gentlemen were talking, and one said, 'Last night we went out to a new restaurant and it was really great. . . I would recommend it very highly.'

The other man said, 'What is the name of the restaurant?'

The first man thought and thought and finally said, 'What is the name of that flower you give to someone you love?'

You know...The one that's red and has thorns.'

'Do you mean a rose?'

'Yes, that's the one,' replied the man. He then turned towards the kitchen and yelled, 'Rose, what's the name of that restaurant we went to last night?'

Mrs. Merv Grazinski, of Oklahoma City, Oklahoma, who purchased new 32-foot Winnebago motor home.

On her first trip home, from a football game, having driven on to the freeway, she set the cruise control at 70 mph and calmly left the

driver's seat to go to the back of the Winnebago to make herself a sandwich.

Not surprisingly, the motor home left the freeway, crashed and overturned.

Also not surprisingly, Mrs. Grazinski sued Winnebago for not putting in the owner's manual that she couldn't actually leave the driver's seat while the cruise control was set..

The Oklahoma jury awarded her, are you sitting down?

She got \$1,750,000 PLUS a new motor home.

Winnebago actually changed their manuals as a result of this suit, just in case Mrs Grazinski has any relatives who might also buy a motor home

A Poem for the Mature

A row of bottles on my shelf
Caused me to analyze myself.
One yellow pill I have to pop
Goes to my heart so it won't stop.

A little white one that I take
Goes to my hands so they won't shake.
The blue ones that I use a lot
Tell me I'm happy when I'm not.

The purple pill goes to my brain
And tells me that I have no pain.

The capsules tell me not to wheeze
Or cough or choke or even sneeze

The red ones, smallest of them all
Go to my blood so I won't fall.
The orange ones, very big and bright
Prevent my leg cramps in the night.

Such an array of brilliant pills
Helping to cure all kinds of ills.
But what I'd really like to know,
Is what tells each one where to go!
