**PRESIDENT'S MESSAGE JANUARY 2022**

I hope you all had a Merry Christmas and a Happy New Year and are looking forward to caravanning in 2022. Lots of exciting rallies ahead this year.

**BATHURST REPORT**

**Attendees:** Wyn and Peter Lowe, Vinnie and Colin Every, Neville and Joy Henderson, Ray Gardner and David Howard.

During Wednesday most of the vans arrived and we had our normal morning and afternoon teas and caught up on all the Christmas gossip.

We took the opportunity to have a look at Ray's new motorhome and I can say it is magnificent with everything that opens and shuts.

David arrived Friday and we set our tables up next to the Lowe motorhome for the evening's festivities. David put up some Christmas lights to make it look like we were at a posh party venue. An enjoyable meal and a few drinks and a lot of laughter ensued. This year we lasted until 10.30pm (last year 8.30pm) so if we go away next year, we might make midnight.

On Sunday we had lunch at the Bathurst RSL and had a look around Bathurst before returning for afternoon tea.

Over the weekend David, Vinnie and Colin and Joy and Neville did a "hot" lap of Mt Panorama (really it was a slow lap). Great views from the top and the race car drivers deserve whatever they get paid. On conrod straight the cars do 300kph whereas we did 60kph which was fast enough for us.

The weather this year was excellent with only a small amount of rain on one night.

By Wednesday morning we had headed home and look forward to our next rally at Forster.

Neville Henderson.

## DOING A HOT LAP AT 50KPH

**FORSTER RALLY** Helen and Paul are Hosting the Forster Rally and have assured us of an interesting time as they have stayed at this park before. There is a mystery drive for anyone interested, some parts have a very good, unsealed road but well worth the trip with excellent view of Forster. There are also lake cruises if interested.

### SECRETARY'S REPORT

Welcome members to our January magazine. I hope that everyone had a fantastic Christmas and a wonderful new year celebration. Our club sounds like it is off to a good start with the club holding its first rally at Bathurst. One of our new members, David was in attendance for his first rally since joining and I hear it was an enjoyable rally for all that took part in the Hawaiian theme. We hope that this year will be a more enjoyable year as far as Covid goes and we are looking forward to a great year of rallies ahead.

A woman has a problem with her wardrobe door. Every time a bus went past the house, the door of the wardrobe fell off. She called a repairman to try and fix the problem  
The repairman comes and he sees that indeed the door did fall off every time a bus passed by.  
“Okay” said the repairman. “I’m going to step inside the wardrobe, you close the door behind me, ‘til I see if I can detect what the problem is” and he steps inside the wardrobe. The wife closes the door behind him  
At this point the husband suddenly arrives home and finds his wife in the bedroom talking to someone. He rushes upstairs and opens the wardrobe door, sees the repairman and shouts, “what the hell are you doing in there?”  
The repairman meekly replies, “Well believe it or not, I’m waiting for a bus”.
