
PRESIDENT'S MESSAGE DECEMBER 2023

We are heading towards 2024 and I hope you all had a great Christmas with your family and friends. I trust you did not overindulge with such delicious food available at this time of year. I hope you were looked after by Santa and received lots of good presents.

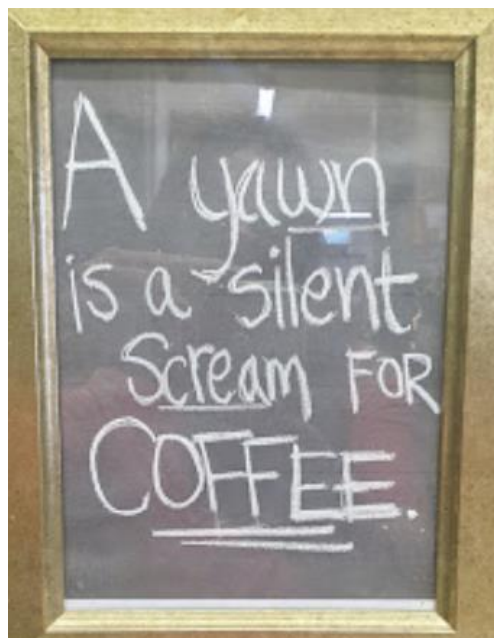

Now we have New Year to look forward to and please make sure you are safe on the roads because some road users seem to lose the plot at this time of the year and we want to see you back in 2024.

I look forward to catching up at a rally shortly or during the coming year.

Until then.....carry on caravanning.

Neville Henderson OAM JP

In the absence of a rally report, we have some important information

An Irishman wants a job, but the boss won't hire him until he passes a little maths test.

"Here is your first question." the boss said.

"Without using numbers, represent the number 9."

"Without numbers?" The Irishman says. "Dat is easy." And proceeds to draw three trees.

"What's this?" the boss asks.

"Have you ain't got no brain? Tree and tree plus tree makes 9," says the Irishman.

"Fair enough," says the boss.

"Here's your second question.

Use the same rules, but this time the number is 99."

The Irishman stares into space for a while, then picks up the picture that he has just drawn and makes a little smudge on each tree... "Ere you go."

The boss scratches his head and says, "How on earth do you get that to represent 99?"

"Each of da trees is dirty now. So, it's dirty tree, and dirty tree, plus dirty tree. Dat makes 99.

The boss is getting worried that he's going to actually have to hire this Irishman, so he says, "All right, last question. Same rules again but represent the number 100."

The Irishman stares into space some more, then he picks up the picture again and makes a little mark at the base of each tree and says, "Ere you go. One hundred."

The boss looks at the attempt. "You must be nuts if you think that represents a hundred!"

The Irishman leans forward and points to the marks at the base of each tree and whispers, "A little dog come along and poops by each tree.

So now you got dirty tree and a turd, dirty tree and a turd, and dirty tree and a turd, which makes ONE HUNDRED!"

The Irishman became head of Qantas and recently retired after trashing the business and taking a monster payout!

CHRISTMAS RALLY

Due to the apparent shortage of food for breakfast on the Saturday, as this is catered per person with a little extra, I would like to request that 2nd and 3rd servings are not requested until everyone has had their 1st.

Future functions will have a ticket system where further servings will be given only after everyone has been served.

Thanks

Joy
